VOLUNTEERING AND COMMUNITY SERVICE

Volunteering (420+ Hours)

Engaged in 120 hours of volunteering at a local high school in Jordan, contributed 100 hours of service during an exchange program in the United States, and dedicated 200 hours to volunteering initiatives at a university in Lebanon.

Community Development

Implemented a Global Youth Service Day (GYSD) initiative within my high school, spearheading fundraising and donation collection efforts for a local NGO. Donations included clothes, food, and monetary contributions to support our community.
